

## Silicon Valley Clean Energy Virtual Power Plant Initiative

**Date:** Thursday, May 2

**Time:** 1:00pm - 4:00pm

**Location:** WEWORK 1111 Broadway, 3rd Floor Oakland CA 94607 – Conference Room 4J

### Agenda:

- **1:00 – 1:25 - Introduction and Goals; Criteria Overview (SVCE)**
- **1:25 - 1:45 - VPP Options (Gridworks)**
- **1:45 - 2:45 - Group Exercise**
  - Which option(s) would you prioritize? Why? What are the concerns? What can be done about concerns?
  - Small group brainstorming
- **2:45 – 3:00 - Break**
- **3:00 – 3:45 - Group Exercise (continued)**
  - Small group report
- **3:45 - 4:00 - Wrap up & Next Steps**
  - 5/14 webinar
  - Action items
- **4:00 – 5:30 - Networking and Community Building**
  - **Location:** *District (827 Washington St, 2 blocks from workshop location)*

### Questions to consider prior to workshop:

1. Which option(s) would you prioritize? Why? What are the concerns? What can be done about concerns?
2. Leveraging the Viability column as a starting point, what are the priority short- versus long-term feasibility considerations for each virtual power plant option?
3. Are there other virtual power plant options or enabling policies to support grid integration that we should consider?
