10:05	7 mins	Agenda and recap from last Meeting (Marc M.)
10:12	18 mins	Request for presentations for Workshop
10:30	5 mins	Wrap up; request to reach out

**Topics of Discussion:**

- **Prepare for the VGI meetings on 22-23rd; presentations**
  - **Groups considering presentations:**
    - John Holmes (Honda)
    - Ed Burgess (Stragen)
    - Sam Houston (CalStart) - MD/HDV
    - John Wheeler (Fermata)
    - Karim Farhat (PG&E) has submitted some qualitative presentations of VGI scoring data
  - Naor Deleanu (Olivine) - Some use cases have qualitative factors that aren't necessarily visible in the quant data
    - Not all use cases are ready to create value at this moment
    - Question for the workshop: *What are the common bases from which value assessments are drawn?*
    - Ed Burgess (Stratagen) - Could we start down the list of use cases and build consensus around what provides value now? Build a starting list
