1. Opening Comments & Convening Ground Rules
2. Introductions (including top priority for RA Reform)
3. RA Framework:
 - What is working- and not working- with today's framework?
 - What are the principle objectives and characteristics of a successful framework, considering California's policy objectives for the energy system?
 - Are we at a point where we can establish a new framework?
 - If not, what are the hurdles, and when can we expect to be ready?
 - What progress can we make in the interim?
4. Conclusions & Next Steps
